

## Schools of Psychology

Mind being a fiend-  
ish entity, it chokes

down the memories,  
bizarre & sexual.

Wily practitioners expose  
separate can openers at

their road shows, lol  
at Freud & those  
zaftig matrons in

his dark study.  
Theirs are Peter

Maxed, Beetled, Lady  
Gaga-d, NASCAR-d. Zoom-

ing up to style  
& all that flash!

Mind aforementioned clue-  
less midst its clammy  
sub-basements while

back at the raunch,  
dreams continue

to half ass-  
ay dreams.
